

# Go Green SG Champion Activity Book

This year, we celebrate **SG60** - Singapore's 60th Birthday!

Let's work together to keep Singapore clean, save water & keep our food safe to eat.

Join us on this adventure to be a **Go Green SG Champion!**

# Meet Captain Green!

Captain Green is our champion for a clean environment!  
Join him in protecting & caring for our surroundings.

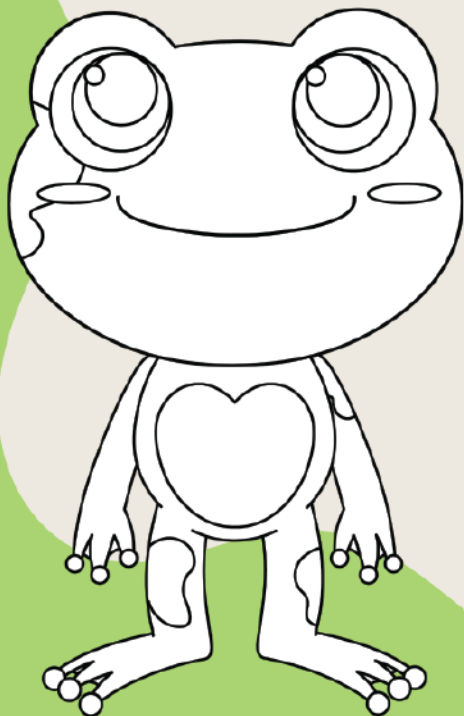

(Photo credit: Urban Redevelopment Authority)

**PAST**

This was our Singapore River, full of rubbish, in the early years!

Look how clean the river is today - it was a huge clean-up that took 10 years.

Colour me in!

**PRESENT**

What can you do to keep your environment clean?

# Activity 1: Find the Bin

Solve the maze by tracing the paths to reach the green litter bin at the end.

Can you spot any litter seen in your neighbourhood?

# Meet Water Wally and Water Sally!

Water Wally and Sally are our friendly & helpful water experts!  
They are always ready to answer questions on water.

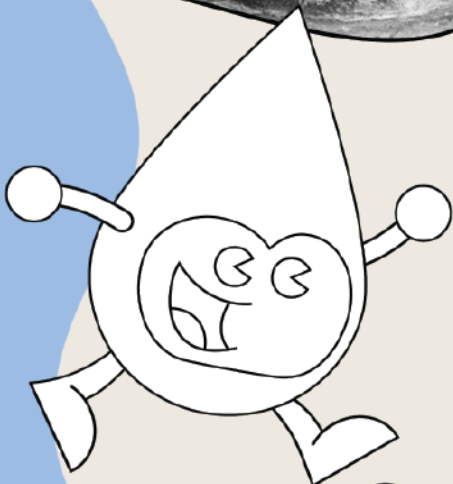

**PAST**

In the past, we had to get our water from wells.

Today, we get clean drinking water at the turn of a tap!

This is only possible because we are creative and found ways to collect & clean our water.

Colour me in!

**PRESENT**

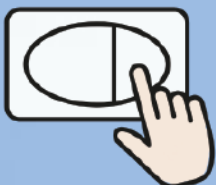

What can you do to save water?

# Activity 2: Water-Wise Match-Up

Help Water Wally and Sally match the water-saving tip to the correct picture! Draw a line to connect them.

**W**ash your clothes on a full load

**A**lways use half flush when possible

**T**urn off the shower when soaping

**E**nsure the tap is turned off when brushing teeth

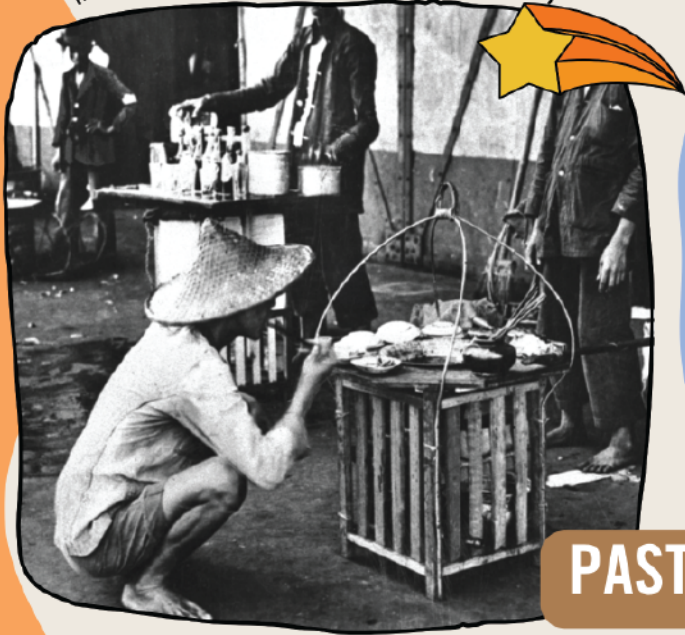

**R**inse vegetables in a container

# Meet Oscar!

Oscar is our food safety mascot!  
He always washes his food before eating.

(Photo credit: National Archives of Singapore)

**PAST**

It's lunch time! Would you get your food from a dirty street stall or our clean hawker centres?

Our hawker centres give hawkers a clean place to cook and serve food.

**PRESENT**

Colour me in!

What can you do to keep your food safe to eat?

# Activity 3: Food Safety Crossword Challenge

What have you learnt about food safety? Solve this puzzle with Oscar!

Colour me in!
